Timing

Mytime will again providing the timing for the Run Auckland Series again this year and you are able to see your times shortly after each event as well as any historical timing if you have competed in any events they provide timing for, including prior Run Auckland years.

This year we are changing from the shoe tag to soft tag attached to your race bib (so now you only need to remember this one thing each race). Series entrants will have two timing chips attached. It is important that you do look after your race bib and bring this for each event. If you forget your bib and require a replacement it will be a \$5 cost.

Changing Distances

If you need to change your race distance for whatever reason – injury or you feel super awesome - just pop up to the registration area on race day and they will take your name and race number and change of distance. Easy as!

Pacers

We are really pleased to have the team from MetroRun on board this year to provide pacers to help you achieve your goals. They will provide pacers for both the 5km and 10km distances. Just look out for their flags for your goal time and pace and remember to thank them after the event if you reach your goal!

Event photos

We are especially pleased to tell you that we have Allan and his team from Photos4sale at each event. Make sure you are smiling and give them your best pose and be our Facebook cover model for our event.

“Photos4sale is proud to bring PWYW (Pay What You Want) to the 2018 Run Auckland Series. You decide what your event photos are worth to you! This exciting initiative is made possible by the honesty of our customers... THANK YOU!” - Allan Ure
