Aid stations

The course will be clearly marked for your distance, but please ensure you know the course and follow any markers and instructions from marshals. There will be two drinks stations. One located around the 6km mark and one at Start/finish. For those doing the Half Marathon this means you have 4 opportunities to take on water.

Timing

Timing will be provided by Run Auckland and provisional times will be posted shortly after each event. We are just confirming up the series points and hope to have them up shortly on the website.

This year we will again have the timing chip attached to the back of your race bib, (so now you only need to remember this one thing each race). It is important that you do look after your race bib and bring this for each event. If you forget your bib and require a replacement it will be a \$5 cost.

Changing Distances

If you need to change your race distance for whatever reason – injury or you feel super awesome - just pop up to the registration area on race day and they will take your name and race number and change of distance. Easy as!

The Course

The course for this race is all on paved footpaths which have plenty of room for all runners/walkers as well as those out enjoying the morning. We ask that all participants stay to the left through out the course to allow faster runners to pass and also those out on bikes or using the walkway.

The course is nice and easy and mostly flat with a couple of hills spread out on the courses

Pacers

We are really pleased to have the team from MetroRun on board this year to provide pacers to help you achieve your goals. They will provide pacers for both the 5km and 10km distances. Just look out for their flags for your goal time and pace and remember to thank them after the event if you reach your goal!

Photos

These are now available at <https://runauckland.smugmug.com/> thanks to James from Hanson and Daughters. The photos look amazing and I am sure you will be keen to keep some memoirs of what you have achieved at the Run Auckland Series.

The cost download photos are .99 cents per photo and a processing fee of .77 (one off cost) or if you have a few photos you are after pay \$7.72 for access to the full gallery.
