Aid stations

The course will be clearly marked for your distance, but please ensure you know the course and follow any markers and instructions from marshals. There will be drink stations located on the course at the 3.5km mark, and 7km (10km).

NOTE We will have a filling station at the start/finish with water and R-line but part of our goal to reach 0 waste we will not have cups available in the village, so you will need to bring a drink bottle or reusable cup to use before and after the race.

Please ensure that your Shoe Tag is attached to your shoe (see picture for location) for each race. this will not work if in your pocket or attached to your race bib.
