

## INFORMATION FOR ALL PARTICIPANTS

### Race 2 Onepoto Domain, Northcote

### Sunday 15<sup>th</sup> June 2025

Welcome to race 2 of The Athletes Foot Run Auckland Series and Half Marathon 2025. We hope all those that attended the first race a couple of weeks ago enjoyed it and are looking forward to our next race on the 15<sup>th</sup> June

We do request you read all the information below as it does include some important information especially regarding parking in the area, as well as lots of other useful information about the event.

#### **Getting to the event and Parking**

The Event Village and start/finish is located at Onepoto Domain, Northcote. It is easy to get to off the motorway at Northcote if coming southbound or Onewa Road is Northbound. If you need help, just put Onepoto Domain into google maps and it will take you straight there.

While there is parking around the local area for those attending the 10km event, this may be harder to find so please allow extra time to find parking and know that it may not be right next to the event village or in the domain. We do ask that you do not park on grass berms or block driveways and the local council may be in the area and tow your vehicle as we did have some complaints last year regarding this.

Please use some of the other roads like Howard St and Exmouth Rd and walk through to the event village

## Course maps

### 5km & 10km Course

## Kids Dash Course

## The Course

The course at Onepoto Domain, Northcote is a mix of footpaths, track and wooden Boardwalk, the course is very manageable in road shoes and has around 60m in climbing over the 5km.

## Aid stations

The course will be clearly marked for your distance, but please ensure you know the course and follow any markers and instructions from marshals. There will be drink stations located on the course at the 3.5km mark, and 7km (10km).

**NOTE** We will have a filling station at the start/finish with water and R-line but part of our goal to reach 0 waste we will not have cups available in the village, so you will need to bring a drink bottle or reusable cup to use before and after the race.

## Timing

Timing will be provided by RunNZ and provisional results posted after the race has finished.

Please ensure that your Shoe Tag is attached to your shoe (see picture for location) for each race. this will not work if in your pocket, attached to your race bib.

It is important that you do look after your timing chip and bring this for each event. If you forget this and require a replacement it will be a \$10 cost.

## **Changing Distance or Event**

If you need to change your race distance for whatever reason – injury or you feel super awesome - just pop up to the registration area on race day and they will take your name and race number and change of distance. Easy as!

If you are entered in the walk you **MUST** walk the whole event. If you intend to run at all, even a little run/walk you should be entered in the run event. You can change your event at registration if you need to.

## **Pacers**

We are really pleased to once again have the amazing team from MetroRun on board once again this year to provide pacers to help you achieve your goals. They will provide pacers for both the 5km and 10km distances. Just look out for their flags for your goal time and pace and remember to thank them after the event if you reach your goal!

## **COVID-19**
