Race 5 Farm Cove, Pakuranga Sunday 17th August 2025

Let get set for race 5 of The Athletes Foot Run Auckland Series and Half Marathon 2025. We are back for the second year here at this venue and had great feedback from last year about the course, location and stunning scenery this location offers, and for those here for the first time we also hope you enjoy it.

Below is lots of information to help you before, during and after your event and these are normally sent out a week before each race.

Getting to the event and Parking

The Event Village and start/finish line is in Farm Cove off Bramley Drive. If you need help, just put Farm Cove Reserve, Bramley Drive into google maps and it will take you straight there. There is very little parking within Farm Cove Reserve, and very hard to turn around, but there is lots of street parking within an easy walk of the reserve. Please be respectful of where you park and allow time to find a park and walk to the venue.

Race Pack Pick Up

For most series pass holders, you would have already collected your race pack. For any series pass holder that have not and all race 5 participants you can collect yours on race day, please do allow a little extra time before your race so you can pick this up and be set to go with little stress.

Also for those only doing race 5 after your race please leave the timing chip in the bins provided at near the start/finish line or the registration tent.

Race Pack Pick Up

This will be held on the day of the event for any remaining Series Pass entrants and single race entrants. The event village will open at 7am, please allow extra time if you do need to pick up your race pack

If you have a gear bag you wish to leave with us while you are on the course, you can drop that off at our gear drop point at the registration tent. Course maps – 10km, 5km & Kids Dash

Aid stations

The course will be clearly marked for your distance, but please ensure you know the course and follow any markers and instructions from marshals. There will be drink stations located on the course at the 2.5 km mark, and 7.5km (10km).

NOTE We will have a filling station at the start/finish with water and R-line but part of our goal to reach 0 waste we will not have cups available in the village, so you will need to bring a drink bottle or reusable cup to use before and after the race.

Timing

Timing will be provided by RunNZ and provisional results posted after the race has finished.

Please ensure that your Shoe Tag is attached to your shoe (see picture for location) for each race. this will not work if in your pocket, attached to your race bib.

It is important that you do look after your timing chip and bring this for each event. If you forget this and require a replacement it will be a \$10 cost.

Changing Distance or Event

If you need to change your race distance for whatever reason – injury or you feel super awesome - just pop up to the registration area on race day and they will take your name and race number and change of distance. Easy as!

If you are entered in the walk you **MUST** walk the whole event. If you intend to run at all, even a little run/walk you should be entered in the run event. You can change your event at registration if you need to.

Pacers

We are really pleased to once again have the amazing team from Metro Run on board once again this year to provide pacers to help you achieve your goals. They will provide pacers for both the 5km and 10km distances. Just look out for their flags for your goal time and pace and remember to thank them after the event if you reach your goal!
