

## INFORMATION FOR ALL PARTICIPANTS

### Race 3 Te Atatu Peninsula, Te Atatu

### Sunday 6<sup>5h</sup> July 2026

Welcome to Race 3 of The Athlete's Foot Run Auckland Series & Half Marathon 2025.

We hope everyone who has joined us for the first two events has enjoyed the series so far. It's been a fantastic start, with both Race 1 and Race 2 delivering stunning mornings, particularly at Northcote, creating a great atmosphere across both events.

As a result of ongoing works at our usual start/finish area to improve the park facilities, this space is currently under development and will become an exciting enhancement for the event in the future once completed. In the meantime, and to ensure a smooth event experience, the Race 3 event village will be located at Harbourview Beach Reserve.

Now it's time to set you up for Race 3. Please take a moment to read all the information below carefully, as it includes important event details—particularly around parking in the area—as well as other useful information to help you prepare for race day.

### **20 Years of Run Auckland – Bring Back the Old Shirts! 📦**

As part of our 20th Anniversary celebrations, we'd love to see as many past Run Auckland shirts as possible on course this weekend.

Over the past two decades, thousands of runners and walkers have taken part in the series, and each shirt tells a story. Whether it's from your first Run Auckland event, a favourite race season, or simply a

design you've held onto over the years, we'd love for you to wear it proudly at Onepoto Domain.

We'll be looking out for some of the classic designs from years gone by and sharing a few throwback photos throughout the season. It's a great opportunity to celebrate the history of the series and the community that has helped build it over the last 20 years.

Love the old shirts? Bring them along and help us showcase 20 years of Run Auckland history! 🏃 🏃 🏃

## Getting to the event and Parking

The Event Village and start/finish line are located at Harbourview Beach Reserve, at the end of Harbour View Road in Te Atatū. If you need assistance finding it, simply enter "Harbourview Beach Reserve, Te Atatu" into Google Maps and it will take you directly there. There is a reasonable amount of street parking available in the surrounding area.

Please do not attempt to enter the Harbourview Beach Reserve carpark, as this will be closed for the duration of the event. We also kindly ask that you do not park on the left-hand side when leaving the reserve (marked by cones), around the corner of Harbour View Road and Riverstone Road. This section is narrow, and we need to keep part of the road clear for runners and walkers, particularly near the start of the event where space is limited.

## Race Pack Pick Up

This will be held on the day of the event for any remaining Series Pass entrants and single race entrants. The event village will open at 7am, please allow extra time if you do need to pick up your race pack

## **Gear bag drop**

If you have a gear bag you wish to leave with us while you are on the course, you can drop that off at our gear drop point at the registration tent. Please make sure your belongings are contained in a bag for this purpose and clearly labelled with your name and race number. Please note that while all care will be taken to ensure the security of your belongings, RunNZ Ltd take no responsibility for any loss or damage to your belongings while they are under our care.

## Course maps

5km and 10km Course

## Kids Dash Course

## The Course

The course at Te Atatu offers a varied terrain, featuring a combination of footpaths and gravel tracks. Participants can comfortably wear road shoes for this course. However, it is worth noting that there are two wooden bridges on the course that may become slightly slippery if wet, so extra caution is advised when crossing them.

Please also note that this course is subject to change with current works around the Harbourview Peoples Park, so keep an eye on any further announcements

## Aid stations

The course will be clearly marked for your distance, but please ensure you know the course and follow any markers and instructions from marshals. There will be drink stations located on the course at the 2km mark, this will allow runners/walkers to access water at 2km, 3.7km 7km and 8.7km

**NOTE** We will have a filling station at the start/finish with water and R-line but part of our goal to reach 0 waste we will not have cups available in the village, so you will need to bring a drink bottle or reusable cup to use before and after the race.

## Timing

Timing will be provided by RunNZ and provisional results posted after the race has finished.

Please ensure that your Shoe Tag is attached to your shoe (see picture for location) for each race. this will not work if in your pocket, attached to your race bib.

For those doing the series, they need to keep hold of this chip and use for all 6 races. for those doing single race/s you are to return your timing chip (place in bins provided in village) after each race

It is important that you do look after your timing chip and bring this for each event. If you forget this and require a replacement it will be a \$10 cost.

## **Changing Distance or Event**

If you need to change your race distance for whatever reason – injury or you feel super awesome - just pop up to the registration area on race day and they will take your name and race number and change of distance. Easy as!

If you are entered in the walk you **MUST** walk the whole event. If you intend to run at all, even a little run/walk you should be entered in the run event. You can change your event at registration if you need to.

## **Pacers**

We are really pleased to once again have the amazing team from MetroRun on board once again this year to provide pacers to help you achieve your goals. They will provide pacers for both the 5km and 10km distances. Just look out for their flags for your goal time and pace and remember to thank them after the event if you reach your goal!

## **The Event Village**

The heart of the Run Auckland event! We are really excited to bring the Run Auckland Series to you this year. We are keen for the start/finish line to be a place where you can enjoy sharing your race highs and lows with your fellow competitors. Stick around and enjoy the atmosphere as we cheer everyone across the finish line. The highlight of the event is always the Kids dash – where we cheer on our future generation of runners and walkers. Some of the highlights you
